Implementation of Container Maintenance Charge (CMC) for Inbound Shipments to China Ports

Dear Valued Customers and Business partners,

In order to ensure that our empty containers are delivered to you in an optimal condition, we will be implementing a Container Maintenance Charge (CMC) for all inbound shipments entering the ports in China with effect from 31 May 2025.

The CMC is a single fee on a per container basis, covering both cleaning and repair costs, up to USD 200 for dry containers and USD 220 for reefer containers.

The types of cargo which will be excluded under CMC are listed below in the "Commodities Exclusion". Please see the table below on the CMC to be collected when the containers reach its destination:

Container Type	CMC	Coverage Limit
20'/40' Dry	CNY 130 (USD18) per unit	Cleaning and Repair costs of up to USD200 per unit
20'/40' Reefer	CNY 205 (USD28) per unit	Cleaning and Repair costs of up to USD220 per unit

Commodities Exclusion:

All forms of Waste cargo, Scrap cargo, Military Weapons, Ammunition, Firearms, Petroleum, Bitumen, Residues cargo, Acid cargo, Rubber Lump cargo, Marble Slabs, Granite Slabs and Wooden Logs.

Should you have any questions or require further clarification, please do not hesitate to contact us.

We thank you for your understanding and continued support.

Yours Sincerely,

Pacific International Lines
